

**Sunday, November 17 - Saturday, November 22, 2013**

## **Construction Overview**

- On Friday, December 6 and Saturday, December 7, crews will perform simultaneous full closures on the northbound and southbound I-5 freeway in order to perform grading activities on the Ortega Highway bridge. The freeway will be closed on both nights between 11 p.m. and 6 a.m. Caltrans is aware of the San Juan Capistrano Tree Lighting on Saturday, December 7 and will work to minimize the impacts of the full freeway closures to the traveling public.
- In the coming weeks, crews will continue to construct falsework and will complete several concrete pours including the stem (the center part of the bridge) and soffit (the underside of the bridge) in early-December. Check out the pictures of the Ortega Highway bridge falsework below!

# FALSEWORK CONSTRUCTION

- The rainy season is officially underway! Please exercise safety while driving, especially in construction zones. Stay alert, slow down and increase your following distance!
